## Payment for classes at Dreamers Dance Academy

### 2019-2020

When joining DDA, every new student has a settling in period of 4 weeks, during which their lessons can be paid for on a pay as you go basis. After this 4-week period, all lessons are paid for via standing order on a monthly basis. The amount due each month is to be paid 12 months of the year and the amount should remain the same unless your child takes on a new class, or stops attending a class. The standing order should only be cancelled if your child stops attending DDA and it should be cancelled after their final class. The way fees are calculated is as follows:

At the start of the academic year, I calculate how many weeks of lessons we have in the upcoming year. I then multiply this by each individual class price. This gives me each classes total cost of lessons for the entire year. This amount is then divided by 12 to create one equal monthly amount. The amount is due every month of the year, including the months where there are reduced lessons due to school holidays. However, you are not overpaying, just simply spreading out the cost of the year's lessons.

For example: 38 Tap lessons in the academic year at £4 per lesson. £152 over 12 months is £12.70 per month.

#### **YOUR STANDING ORDER MUST BE PAID ON the 5<sup>TH</sup> OF EVERY MONTH**

If you would like to set it up for earlier in the month, that is fine but please no later!

Please see the timetable for your child's monthly fees. For multiple classes, please add the amounts together. **CHECK THE DEALS SECTION BELOW TO SEE IF YOU ARE ELIGIBLE!**
